CHINESE REFLEXOLOGY

For Cold Recovery and Prevention

The Real Reason People Catch Colds

- Cold is body's way of telling you to rest and nurture yourself
- We push ourselves because of fear of not getting it all done.
- Lack of trust in sufficiency of the Universe and ourselves

4 Approaches for Cold Prevention

- **Mind:** Present a logical argument. If you get sick, productivity goes out the window.
- **Body:** Listen to signals and act before you get sick.
- **Heart:** Focus on joy. Your heart knows what needs to get done will be done.
- **Spirit:** Release control and trust that everything will be alright.
