

How to Make an Origami Dress Shirt

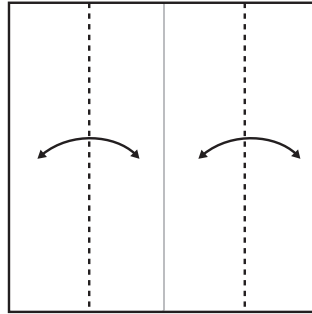

Start with a square sheet of paper.

1

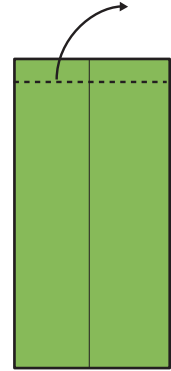

Fold in half and unfold.

2

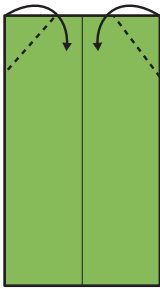

Fold sides in to meet at center crease.

3

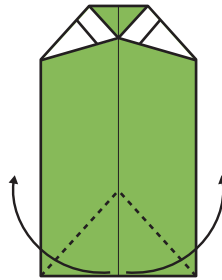

Fold top back along dotted line.

4

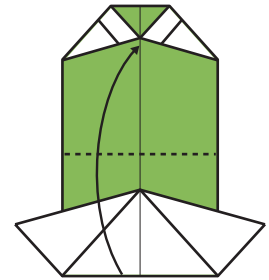

Fold corners inward along dotted lines.

5

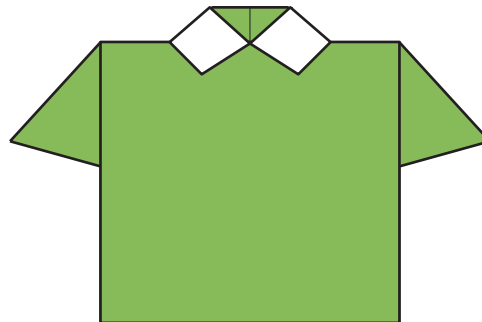

Fold bottom corners out along dotted lines.

6

Fold up along dotted line. Fold should be at the point where the bottom tucks in below "collars" at top.

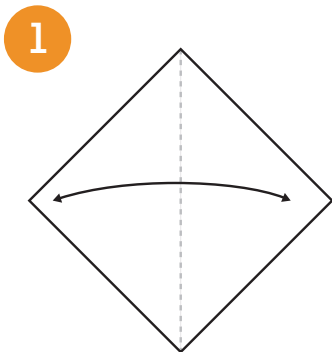

7

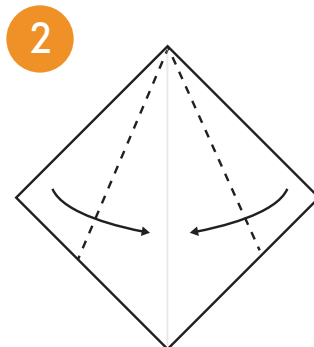

Finished!

How to Make an Origami Necktie

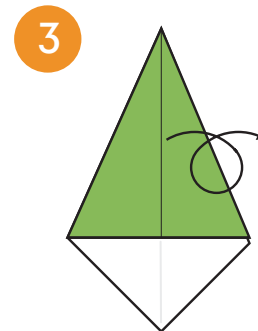

Start with a square sheet of paper.

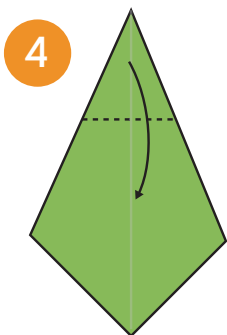

1 Fold in half and unfold.

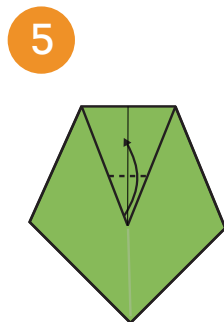

2 Fold along dotted lines to meet at center line.

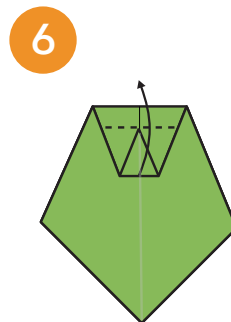

3 Turn over.

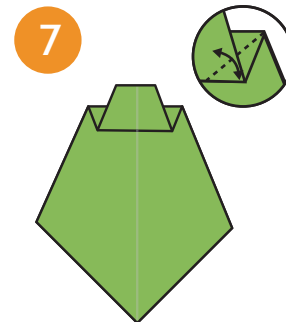

4 Fold down along dotted line.

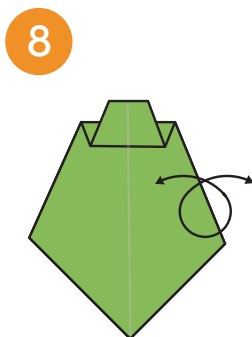

5 Fold up along dotted line.

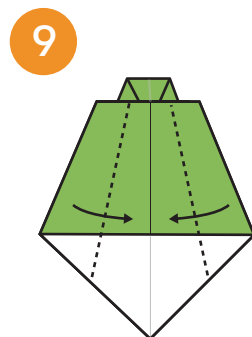

6 Fold up along dotted line.

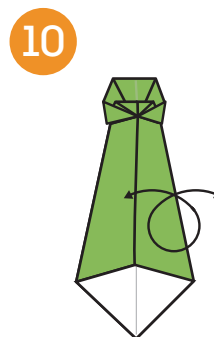

7 **Fold & unfold** corners along dotted line. This will help to form the "knot" later.

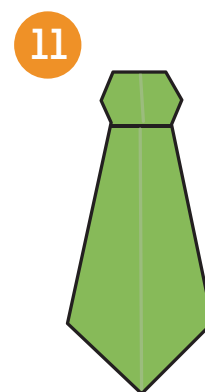

8 Turn over.

9 Fold inward along dotted line. Allow corners to fold upward along previous crease made in step 7.

10 Turn over.

11 Finished!

This forms a triangle. Note previous fold from step 7 is visible, shown as dotted line.
