How to fold origami

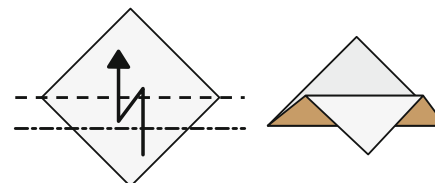

We recommend you use a ruler when folding to make nice, clean folds!

● Valley fold ●

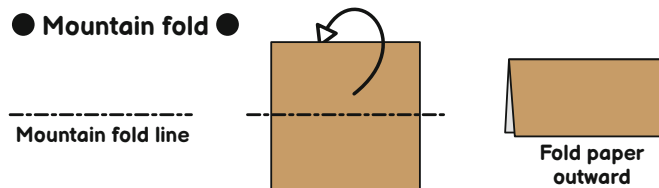

● Pleat fold ●

After making a valley fold, make a mountain fold to create a pleat effect

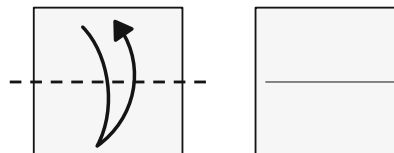

● Mountain fold ●

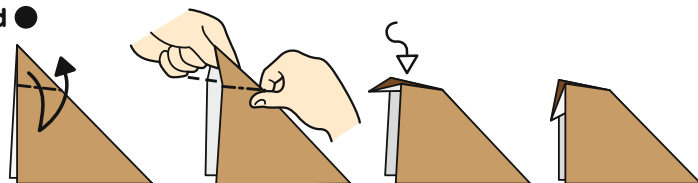

● Making fold lines ●

After folding once, fold back the opposite way to make a line

● Inside reverse fold ●

Temporarily fold a corner to make a fold line, and then fold the corner inwards

● Rotate ●

Spin the paper in a specific direction

● Turn over ●

Flip the paper horizontally
